

RELIANT SALES, LLC

Specializing in Engineered Solutions

Copeland, Trane, Carrier and York remanufactured semi-hermetic air conditioning and refrigeration compressors and spare parts

Unique falling film chiller, air-cooled chiller and heat transfer product solutions for refrigeration and process industries

Manufactures and supplies Aerocel[®] closed-cell elastomeric foam insulation

Cooler and freezer room environmental control systems including critical process hygienic air handling systems and accessories

Global provider of heat transfer, separation and fluid handling equipment

Manual and electric walk through, horizontal and vertical sliding cooler and freezer doors

Custom built walk in coolers and freezers

Manufacturer of cooling towers, evaporative fluid coolers, evaporative condensers, industrial evaporators and air cooled heat exchangers

Commercial and industrial gas detection devices and alerting systems

Liquid level indicators, gaskets, valves, and adapters including after-market parts for Standard Refrigeration products

Commercial and retail refrigerated display options including doors, windows and shelving

Manufactures commercial and industrial heat exchangers and pressure vessels

Russell, Kramer, Witt and Coldzone branded commercial refrigeration equipment

Electric heating equipment including custom duct and standard unitary slip-in heaters

American made process fluid chillers, tanks, pump skids and customer fluid cooling solutions

Industrial refrigeration systems for cold storage, food processing and ice arenas
